Something to think about.

"Reasons for trembling"
in "Celtic Parables" edited by Robert van de Weyer

There are four reasons why a person may tremble,
The person may be frightened and tremble with fear.
The person may be ill and tremble with fever.
The person may be angry, and trembles with rage.
The person may be in love and trembles with passion.

Fear, fever, rage, passion
- All created by God.
What makes us frightened,
What makes us ill,
What makes us angry,
What makes us love-
On these matters we have some choice,
On these things we must seek God's grace.

A Prayer for this Week

Our kind and loving God,
you no longer call us servants but friends.
There is so much you have entrusted to us,

even the future of your kingdom of justice and love.
Give us the grace to work out with you
the growth of mercy and goodness in this world,
to be united with all Christians
and with all who seek you with a sincere heart
in bringing reconciliation and joy to everyone.
Let us go together the way to you,
our living and loving God,
through Jesus Christ our Lord.
Amen.
